Automatically generated channels that lack their own videos (such as Music and News) and channels that have been made effectively obsolete as a result of the transferral of their content (such as Justin Bieber VEVO and Taylor Swift VEVO) are excluded.

Indian record label T-Series is the most-subscribed channel, with over 248 million subscribers as of August 2023. American YouTube personality MrBeast is the most-subscribed individual and second most-subscribed channel overall, with over 179 million subscribers as of August 2023.

those whose displayed subscriber counts are identical are listed so that the channel whose current growth rate indicates that its displayed subscriber count will exceed that of the other channel is listed first.

What's great about many YouTube accounts is that they ensure that each lesson is short and sweet. This makes it easier to stay focused and concentrated without getting distracted or fatigued.

In fact, one popular study technique is known as the 50/10 study sessions. This means you study for 50 minutes and then take a 10-minute break.

Most YouTube channels also have organized playlists. This means that each lesson is given in the correct order of how you should learn the subject.
